

# MLUX A Track

## Installation

3-circuit track mount  
Mounting height up to 5m

## Housing Colours

White RAL 9010, Black RAL 9005, Grey RAL 9006

## Construction

Steel housing, polycarbonate adapter, integral PSU

Protection Class 2. IP20

Weight: 0.7 Kg

## Certification

CE, UKCA

## Light source

High efficiency LED

## Beam Angle

Ultra wide 96°

## Light quality

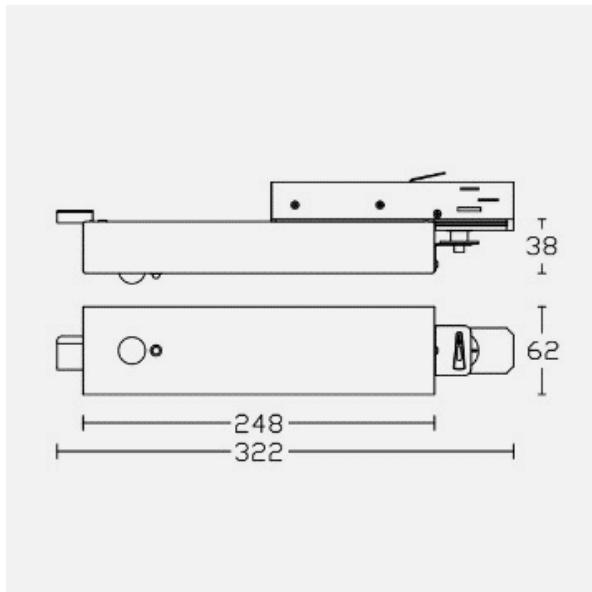

4000K  
CRI ≥ 80 Ra

Light output: 307 Lumens

## Lighting control

Non-maintained Emergency  
3-hour duration. SELFTTEST as standard 5 second self test + Annual full 3 hour duration test  
Reverse battery protection  
Over voltage protection  
Deep discharge protection  
Long life LiFePO4 Batteries  
Mercury free, RoHS compliant  
Low power consumption.

## Dimensions (mm)

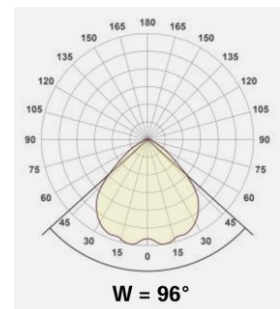

## Technical details

Running mode: 1.3W (following battery charge)  
Charge mode: 3.0W (during battery charging)  
Battery discharge mode: 85mA (Emergency mode)

Typical values based on >80 Ra 4000K wide beam 23.V Max					
Mounting height (m)	1	2	3	4	5
Lux	130	33	14	8	5
Beam diameter (m)	2.2	4.4	6.6	8.8	11

## Light distribution

## Description

Slim architectural surface 3-circuit track mount area non-maintained emergency luminaire; steel housing construction, finished in epoxy powder coated options, white, grey and black; integrated PSU; ultra wide light distribution; high efficiency LED; CRI ≥ 80 Ra; Lighting control, Emergency (non-maintained) 3-hour duration; long life LiFePO4 batteries; Mercury free, RoHS compliant. Construction from pure and easily separable materials facilitate easy life-extending upgrades and recycling.

# MLUX A

## Product part number nomenclature and example:

Product part number	Product description
MLUXAT3B	MLUX 3-circuit track mount Area emergency light, self-test, black finish

## Options:

MLUX	A	T3	B
↓	↓	↓	↓
Product Series	Light distribution	Mounting type	Body colour *
MLUX = MLUX series	A = Area	T3 = 3-circuit track	W = Pure White RAL 9010
			G = Grey Silver RAL 9006
			B = Jet Black RAL 9005

\* Other colours and finishes on special order basis
